

2026 High Sheriff Awards in

Engineering

Oxfordshire schools are invited to nominate students who have a passion for, and show great promise in, the field of Engineering, Resistant Materials or Design Technology.

FOUR AWARD CATEGORIES

- Year 8 & 9 Award
- Year 10 & 11 Award
- Year 12 & 13 Award
- Team Award (max 8 students)

One student will be selected as the overall Young Engineer High Sheriff Award winner for 2026.

Prizes!

£400 voucher for the winning student in each category
£1,000 for the school/college with a winning student*
£200 voucher for the first runner up in each category
£100 voucher for the second runner up in each category
£100 maximum prize per student, with a maximum of 8 students per team

Info

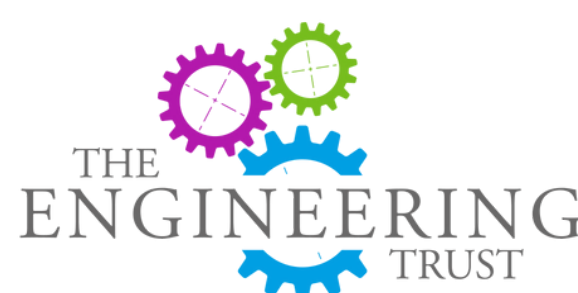

To nominate a student or team of students, please complete the nomination form and submit by 2nd April 2026. There is a limit of 5 school entries per category.

The Awards Ceremony will be held at Abingdon & Witney College on 22nd June 2026. Those students judged to be the top three nominations from each category will be invited to attend the Awards Ceremony along with their parents and teachers.

Questions? Contact HSYEA@lucygroup.com

*Schools/colleges can only win the prize once, even if multiple students win in different categories.
